

NATIONAL PRIORITIES WITH WA STATE CAPABILITIES & INITIATIVES

12/12-14/05

National Priorities:

- Implement the National Incident Management System and National Response Plan
- Expanded Regional Collaboration
- Implement the Interim National Infrastructure Protection Plan
- Strengthen Information Sharing and Collaboration Capabilities
- Strengthen Interoperable Communications Capabilities
- Strengthen CBRNE Detection, Response and Decontamination Capabilities
- Strengthen Medical Surge and Mass Prophylaxis Capabilities
- Strengthen Emergency Operations Planning & Citizen Protection

Capabilities and Initiatives:

Capability: CBRNE Detection

- Initiative 1. Washington State Policy for CBRNE Detection
- Initiative 2. Public, Private, and community Radiological threat training
- Initiative 3. Improve CBRNE transportation and fixed site inventory reporting
- Initiative 4. Increase Radiological exercise detection
- Initiative 5. To provide a robust CBRNE detection, education, training, and exercise model that are developed, supported, implemented, and sustained Statewide.
- Initiative 6. Homeland Security/Public Health Region Health Care Systems & Sustainability of Planning, Exercises, Training and Exercises

Capability: Citizen Preparedness & Volunteerism

- Initiative 1. Public Education for Citizens and Employees in the Public and Private Sectors.
- Initiative 2. Engage residents in emergency preparedness and response (Volunteers to support response and recovery through multidisciplinary agency programs)
- Initiative 3. Public Education and Training for Citizen Preparedness
- Initiative 4. Statewide sharing of resources
- Initiative 5. Non-Government emergency responders

Capability: Critical Infrastructure

- Initiative 1. Sustainable Strategy for State Critical Infrastructure Security and Disaster Resilience

Capability: Explosive Device Response

- Initiative 1. Establish and sustain Emerging Threats Training Maintenance Program

Capability: Food & Agriculture Safety & Defense

- Initiative 1. Coordination of agricultural response integration and public education.
- Initiative 2. Enhanced Surveillance Inspection Systems
- Initiative 3. Agricultural products/animal disposal plan development and implementation.
- Initiative 4. Enhancement of Laboratory Capacity and Capability to respond to agricultural incidents.
- Initiative 5. Information management and data security.
- Initiative 6. Effectively manage sensitive information gathered in an incident response.

Capability: WMD/Hazmat & Decontamination Response

Initiative 1. Establish a sustainable regional WMD/Hazmat & Decontamination response capability statewide.

Capability: Intelligence and Information Sharing

Initiative 1. Statewide Integrated Intelligence Sharing System

Capability: Interoperable Communications

Initiative 1. Cyber Interoperable Communications and Cyber Security Initiative

Initiative 2. Interoperable Communications Planning, Collaboration, and Acquisition of Equipment and Technology

Initiative 3. Inventory Capability, Sustainment and Maintenance

Capability: Law Enforcement Investigation and Operations

Initiative 1. Law Enforcement Mobilization and Resource Delivery Plan for CBRNE and Man Made or Natural Disasters

Initiative 2. Intelligence Management System

Initiative 3. Law Enforcement CBRNE/Terrorist Activities Operations and Natural/Manmade Disasters Enhancement

Initiative 4. Law Enforcement CBRNE/Terrorist Activity Investigations Enhancement

Initiative 5. State Forensic, Specialized Response and Investigation Support

Capability: Mass Prophylaxis

Initiative 1. Resource Management

Initiative 2. Legal and Liability constraints on HS prophylaxis and medical services.

Initiative 3. Mass Prophylaxis Staffing

Initiative 4. Patient Tracking

Capability: Medical Surge

Initiative 1. Resource Management and Logistics Improvement Initiative

Initiative 2. Medical Surge Capacity Exercise

Initiative 3. Planning integration-Coordination/Integration of HS and other Community Response Partners Plans (Plan Integration Review)

Initiative 4. Procurement and Sustainability of Medical-Surge Resources (Medication, PPE, Equipment and Supplies.)

Initiative 5. Legal and Credentialing Issues

Initiative 6. Mass Fatality Management & Family Assistance Center Development

Initiative 7. The Washington State Homeland Security and Disaster Preparedness Act Initiative

Capability: NIMS/NRP (National Incident Management System/National Response Plan)

Initiative 1. Integrate NIMS into Incident and Event Management Processes

Initiative 2. Development of a Consistent Resource Management Program

Initiative 3. Strengthen Implementation of the National Response Plan

Capability: Regional Coordination

Initiative 1. Codification and realignment of the Regions within Washington State.

Initiative 2. Regional Consistency and coordination of plans, implementation, training, exercises and equipment.

Initiative 3. Information Sharing
